Tradex Foods Welcomes Yang Xuehong as a new Quality Control & Production Supervisor in China

Tradex Foods is pleased to welcome Ms. Yang Xuehong to its team as a Quality Control & Production Supervisor in China. Ms. Xuehong is a graduate from Qingdao Oceanic College and comes to Tradex with 13 years experience in laboratory inspection and quality assurance management. Ms. Xuehong will be our fifth full-time employee in China giving Tradex increased coverage and valued experience in the area of quality control and production supervision.

ABOUT TRADEX FOODS: Tradex Foods Inc. is a global supplier of quality, fresh frozen seafood to processing, food service and retail clients in North America and throughout the world. Tradex strives to deliver to its customers premium products, industry-leading quality control and unparalleled service, all backed by its 100% satisfaction guarantee.
