

FOR IMMEDIATE RELEASE:

## **Tradex Interviews on CBC Radio**

Tradex' VP & Director of Quality Control Management - Michael Warren - was recently interviewed by CBC Radio - On The Island. The purpose of the interview was a follow-up to a recent article in the Vancouver Sun written by Randy Shore -Importer using DNA testing to fight 'rampant' seafood labelling fraud. Both the article and the interview discuss the various types of fraud present in our industry and what Tradex is doing to be transparent.
