

SEA SCALLOPS

SINBAD PLATINUM

Our premium - value-added house brand – processed in North America.

Sinbad Platinum products come from the finest raw material – with exceptional harvesting and processing standards – and our 100% net weight guarantee.

PRODUCT PROFILE

Our Sea Scallops are wild caught and processed in North America with precision and care.

Premium Sea Scallops are individually quick frozen and ready to cook.

Sea Scallops - the larger of the Scallop family - are sweet – tender – juicy and exceptionally delicious.

Try searing – ceviche - saucing – wrapping – topping – layering – skewering – glazing and breading.

Adapts deliciously to many global flavour profiles.

WHY CHOOSE SEA SCALLOPS?

Sea Scallops offer a meaty texture and delicious mild flavour.

Their shape and size create a stunning visual presentation making them perfect for “starring” roles in white linen dining environments as both a main course and an appetizer.

FEATURES & BENEFITS

premium quality processing	=	excellent taste & texture
consistent supply	=	product consistency reduces menu changes
once frozen	=	premium flesh texture
individually quick frozen	=	minimizes waste - use only what you need
well trimmed	=	100% yield
consistent sizing	=	consistent cost & portion control

QUALITY IS THE CORNERSTONE OF OUR BUSINESS

Our 7-Step Quality Control Process delivers comprehensive inspections at every stage of processing - on the production line.

Instead of performing a one-off inspection, our Quality Supervisors follow the entire chain of custody - from vessel to distribution.

Each stage is documented in an inspection report - complete with photographs. This process delivers full, transparent traceability for all our products.

Simply put - if product does not meet our stringent standards - it is rejected.

Unique to Industry - Essential to Quality

PRODUCT SPECIFICATIONS

RAW - IQF	
U10 CPP	000223
