

HOKI

SINBAD

Our signature - value-added house brand – processed in Asia.

Sinbad products come from the finest raw material – with exceptional harvesting and processing standards – and our 100% net weight guarantee.

PRODUCT PROFILE

Our Hoki is wild caught and processed with precision and care.

Each fillet is well trimmed - individually quick frozen and ready to cook.

Hoki is a lean protein - offering a mild, sweet flavour and excellent flaking quality.

Perfect for breading – battering – baking – sautéing – or frying.

Try it in dips – chowders – wraps - tacos – sliders - quesadillas – salads – fish cakes – Po’ Boys and fish & chips.

Adapts deliciously to many global flavour profiles.

WHY CHOOSE HOKI?

Hoki is a versatile Whitefish - its’ moist texture, snow white appearance and succulent flesh make it an excellent option for center of plate.

Hoki is also common in volume-driven dining applications, as an alternative to Cod and Haddock.

FEATURES & BENEFITS

premium quality processing	=	excellent taste & texture
consistent supply	=	product consistency reduces menu changes
individually quick frozen	=	minimizes waste - use only what you need
well trimmed	=	100% yield
consistent sizing	=	consistent cost & portion control

QUALITY IS THE CORNERSTONE OF OUR BUSINESS

Our 7-Step Quality Control Process delivers comprehensive inspections at every stage of processing - on the production line.

Instead of performing a one-off inspection, our Quality Supervisors follow the entire chain of custody - from vessel to distribution.

Each stage is documented in an inspection report - complete with photographs. This process delivers full, transparent traceability for all our products.

Simply put - if product does not meet our stringent standards - it is rejected.

Unique to Industry - Essential to Quality
