## PRODUCT BREAKDOWN:

The Box:

10LB BOX OF SHRIMP  
LABELED AS 21-25CT

=

The Shrimp:

7LBS OF 31-40ct/lb SHRIMP

Because the shrimp you purchased is **OVERGLAZED**, you are not only getting **less shrimp**, but also a **smaller size** than what you expected and paid for.

You are losing \$0.80/lb on the price difference between shrimp sizes.

The Glaze:

3LBS OF WATER
